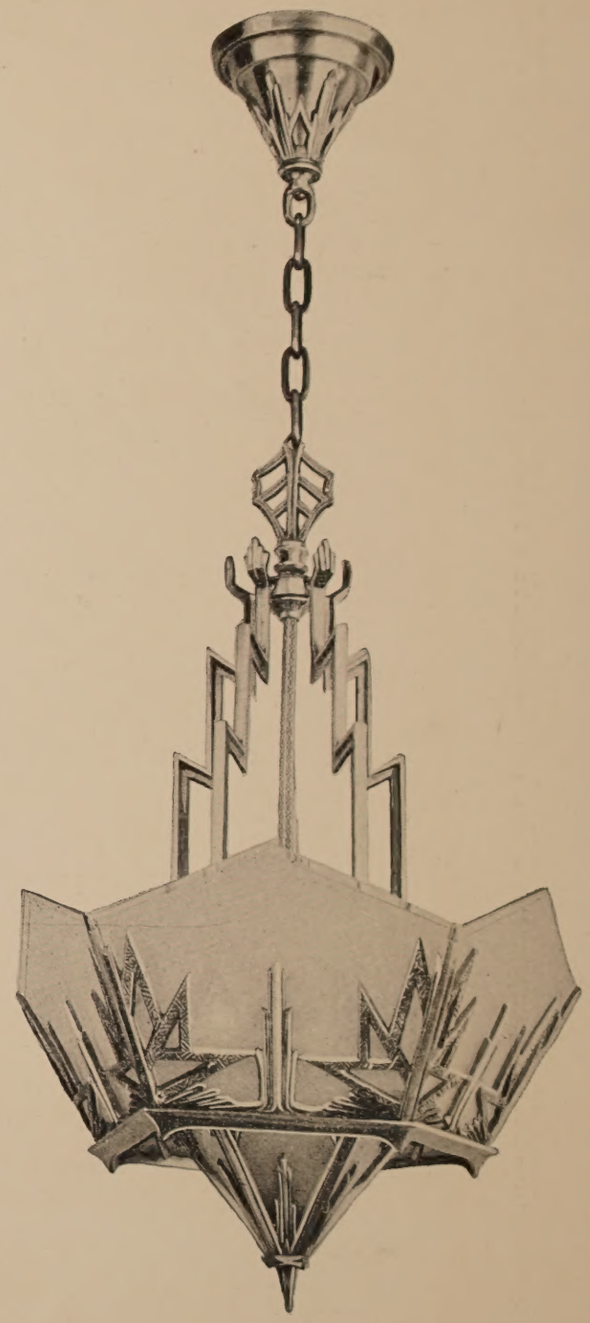
PARISIAN MODERNISTIC PEWTER LINE

Words cannot do justice to these wonderful lighting fixture creations, not only are they modern in design, but beautiful and efficient.

The panels are of frosted glass giving a soft even light, the edges are beveled, and panels can be removed and cleaned with ease.

The finish is a silvery pewter relieved in velvet black.



No. 205

THE CAPOLIER LINE

Made of solid brass castings and beautifully finished in Antique Gold and tinted in polychrome colorings.

The designs on the glass are acid etched and will never come off. These fixtures are not only beautiful, but very efficient when lighted.

We highly recommend these fixtures for any home.

L'ART MODERNE LINE

Unquestionably it is genius to create from drab metals such fixtures as are illustrated here.

The design, detail and workmanship are seldom found in fixtures selling in the price range of the 400 L'Art Moderne Line.

The fixtures are electroplated in two beautiful finishes—

Pewter Silver and Black or Golden Bronze.

Pewter background relieved in silver and black.

Golden bronze relieved with gold highlights.
